

# IDS Schooling Show COVID-19 Protocol

We value every person who will be on the showgrounds. To keep everyone safe, we are following [USEF COVID-19 Guidelines](#). As an overview, please follow these guidelines:

1. If you have tested positive for COVID-19, know you have been exposed to someone who has, or exhibit any signs of illness in the past 14 days, please do not compete or volunteer at this show.
2. If you become ill while on the grounds, or test positive for COVID-19 within 14 days after the show, please notify the show manager or show volunteer coordinator.
3. Medical personnel will use a touchless thermometer to take the temperatures of all judges, volunteers, and office staff upon entering the show grounds. Anyone with a temperature of 99.5°F will not be permitted.
4. Everyone on showgrounds is required to wear a facemask in any setting where there is a possibility of being within six feet of anyone from another household. Please bring a facemask you'll be comfortable wearing throughout the day. Riders are exempt when mounted on a horse.
5. All individuals should practice social distancing while on the showgrounds by staying at least 6 feet from any person who is not a member of their immediate household.
6. Wash hands often and adhere to other sanitization practices throughout the day.
7. Spectators are prohibited from the showgrounds. An entrant is permitted a maximum of three support people such as a parent, coach, and/or groom.
