

Competitor Notes

IDS July Schooling Show

Sunday, July 18th, 2021

We'd like to thank you for helping extend our streak of sold-out schooling shows to 11 in a row! With three full rings, this will be our **largest July show ever!**

Please review the notes below for important information for competitors.

Schedules, Stall Charts, and Camping Assignments

Please review the schedules, stall charts, and camping assignments as soon as you can. **If you see any errors or omissions, please let me know as soon as possible.** My job is to make sure that you have an excellent experience at this show, and I'll do my best to accommodate you when I can.

- [Buy a Video of Your Rides from Stephanie Sidoti Photography](#)
- [BlackHorse One's eDressage Dashboard](#) - to retrieve test scores and comments

COVID-19 Best Practices

We follow the [USEF COVID Protocols](#). Any person who is not fully vaccinated is required to wear a mask. Anyone with a temperature above 100.4 degrees should stay home.

Coggins, Waiver Signatures, and Fees Due

If you are one of the few people with incomplete entries, you should have an email or two from me detailing what I still need to complete the process. Please do that before hauling your horse to the Hoosier Horse Park.

Saturday Arrival and Schooling Times

Stalls will be labeled and unlocked by 11:00 am on Saturday. Once you unload your horses, please pick up your horse's bridle tag at the Dressage Office. Your horse should wear the bridle tag at all times outside of the stabling area. The Dressage Complex including the competition rings will be available for schooling from noon until dusk on Saturday.

Shavings

Shavings pre-ordered with your entry will be stocked in your stall when you arrive. The Stall Chart lists the number of shaving bags as confirmation of your order.

Shavings will also be available for sale by the Hoosier Horse Park office on Saturday until approximately 3:00 pm. Please have cash or check - I don't believe they can take credit cards. After that, come to the Dressage Office as we will have a small supply of shavings available.

Stall Stripping

Due to COVID restrictions, the HHP's stall cleaning labor force is unavailable this year. If you have not pre-paid the optional \$40 stall stripping fee, you are required to strip all bedding from your horse's stall and place it in a pile just outside of the stall door.

Lunging and Warm-up

A lunging area will be sectioned off in the north 20m of the dressage warm-up arena.

The warm-up arena in the Dressage Complex will be crowded, so please keep your eyes up and give every horse their proper space.

BlackHorse One eDressage Electronic Scoring

IDS adopted BlackHorse One eDressage Electronic Scoring software last year. Our scribes now use an iPad to record the judges' scores and comments into the eDressage application as you ride. Your scores are tabulated as you leave the ring. Once the last ride in each class is complete, we will post results on the board and hand out ribbons, but you will no longer have a paper test to retrieve.

[BlackHorse One's eDressage Dashboard](#) will record all your rides across multiple shows and present you with analytics and comparison tools. You can also share your tests with

your coach or print them for your file. In the coming days, you'll receive an email from BlackHorse One with your account information. If you need any additional help, you can email support@blackhorse-one.com.

Breakfast and Lunch with Hoosier Que

[Hoosier Que](#) will be setup in campsite #67 near Barn L at 9am for breakfast on Sunday and continue serving excellent food through lunchtime. Our first 30 complete entries have earned a \$10 breakfast voucher which you will receive with your bridle tag.

Weather

We should have great summer temperatures this weekend a low chance of scattered rain:

- Saturday: High in the low 80s with scattered thunderstorms in the morning
- Overnight: Low of around 65
- Sunday: Partially sunny with a high in the low 80s. Low chance of scattered rain

Attire

This is a schooling show so formal dressage attire is not required. Likewise, horses do not need to be braided. Wear whatever will make you feel comfortable whether that is show clothes or schooling clothes. A buckled ASTM-certified helmet is required at all times when mounted.

We look forward to a great show!

Thanks,

Mike Dawson

IDS President and Show Manager
