IDS May Schooling Show

Saturday, May 7th, 2022

We'd like to thank you for helping extend our streak of sold-out schooling shows to 13 in a row! Please review the notes below for important information for competitors.

Schedules, Stall Charts, and Camping Assignments

Please review the schedules, stall charts, and camping assignments as soon as you can. **If you see any errors or omissions, please let me know as soon as possible.** My job is to make sure that you have an excellent experience at this show, and I'll do my best to accommodate you when I can.

Coggins, Waiver Signatures, and Fees Due

If you are one of the few people with incomplete entries, you should have an email or two from me detailing what I still need to complete the process. Please visit the Dressage Office when you arrive.

Friday Arrival and Schooling Times

Stalls will be labeled and unlocked by 11:00 am on Friday. Once you unload your horses, please pick up your horse's bridle tag at the Dressage Office. Your horse should wear the bridle tag at all times outside of the stabling area.

The Dressage Complex including the competition rings will be available for schooling from noon until dusk on Friday with the exception of Ring 1 which will be used for the Ride-a-Test Clinic between approximately 3:45pm and 7:00pm.

Shavings

Shavings pre-ordered with your entry will be stocked in your stall when you arrive. The Stall Chart lists the number of shaving bags as confirmation of your order.

Shavings will also be available for sale by the Hoosier Horse Park office on Friday until approximately 3:00 pm. Please have cash or check - I don't believe they can take credit cards. After that, come to the Dressage Office as we will have a small supply of shavings available.

Stall Stripping

If you have not pre-paid the optional \$30 Stall Stripping fee, you are required to strip all bedding from your horse's stall and place it in a pile just outside of the stall door.

Lunging and Warm-up

A lunging area will be sectioned off in the north 20m of the dressage warm-up arena.

The warm-up arena in the Dressage Complex will be crowded, so please keep your eyes up and give every horse their proper space.

Novice Horse / Novice Rider / Masters Award Registration

If you would like to register a novice horse or a novice rider for the White River Novice Horse and White River Novice Rider awards - horse or riders must not have previously competed at Training Level - please complete this form - [IDS Award Registration](#).

The same form can also be used for registration for the Masters Award.

Attire

A buckled, ASTM-certified helmet is required at all times when mounted. Formal dressage attire is not required. Likewise, horses do not need to be braided. Wear whatever will make you feel comfortable.

BlackHorse One eDressage Electronic Scoring

Our scribes now use an iPad to record the judges' scores and comments into the BlackHorse One eDressage Electronic Scoring application as you ride. Your scores are tabulated as you leave the ring. Once the last ride in each class is complete, we will post results on the board and hand out ribbons, but you will no longer have a paper test to retrieve.

[BlackHorse One's eDressage Dashboard](#) will record all your rides across multiple shows and present you with analytics and comparison tools. You can also share your tests with your coach or print them for your file. In the coming days, you'll receive an email from BlackHorse One with your account information. If you need any additional help, you can email support@blackhorse-one.com.

Food Vendor

[Serendipity Mobile Catering](#) will be serving food near Barn L on Saturday. Our first 30 complete entries have earned a \$10 Food Truck voucher which you will receive with your bridle tag.

Weather

We should have Spring temperatures this weekend with a bit of rain:

- Friday: High of 70 degrees with rain. Be sure to have rain gear!
- Overnight: 55 degrees with rain.
- Saturday: High of 72 degrees with a few showers in the current forecast.

We look forward to a great show!

Thanks,
