

THE STANDARD FOR EQUESTRIAN PERFORMANCE –

Horse by Horse bit fitting clinic with the renowned Stephanie Brown-Beamer brought to you by the Indiana Dressage Society!

JULY 25-26 2026

Learn the science of bit and bridle fit, explore tack, and discover how small adjustments can transform your horse's performance. "I feel that being an FEI rider/trainer, "L" graduate, and having a commitment to creating true partnerships with horses, lends to the success of my bit fitting clinics."

Horse by Horse stands at the forefront of equestrian performance and horsemanship, providing precision bit fitting and exquisite bridles engineered for harmony between horse and rider. From daily training to elite competition, Horse by Horse equips riders with confidence, control, and connection that define true excellence. Each bit is evaluated for fit, design, and how it interacts with the horse's mouth and musculature.

Please signup via the link below for either date. Auditors are welcome at both locations. All riding disciplines involving a snaffle bit are welcome to participate! Including double bridle fittings.

The fee for each fitting is \$210.00*. Fitting time is roughly 60 minutes. Trailer-in fee of \$20.00 at the Equine Riding Center. There are only 8 fitting openings each day!! Auditors are welcome at both locations!
